In this multiplayer competitive challenge, you will have to build a fortification using virtual ice and then throw virtual snow balls with the goal of destroying your oponents fortress - may the person with the better fort and the best aim WIN!

KEEP TALKING *and* **NOBODY EXPLODES**

In this challenging and engaging experience, one player in VR has just activated a bomb! The other player will have a detailed diffusal manual in real life that he must use to communicate a series of solutions to deactivate the bomb. If all goes well you both live - if you or your partner get it wrong you - BOOM!

In this hilariously fun experience, one player in VR takes on the role of a large ancient tree. meanwhile, two to eight frenemies grab tablets to become rebel squirrels that'll do anything to steal his golden acorns!

ESCAPE IGLOO

A mobile virtual reality escape room game for up to four players. The escape Igloo is the best in class team building and event activity in the VR market. Four players enter it as coworkers and four players come out of it as a team!

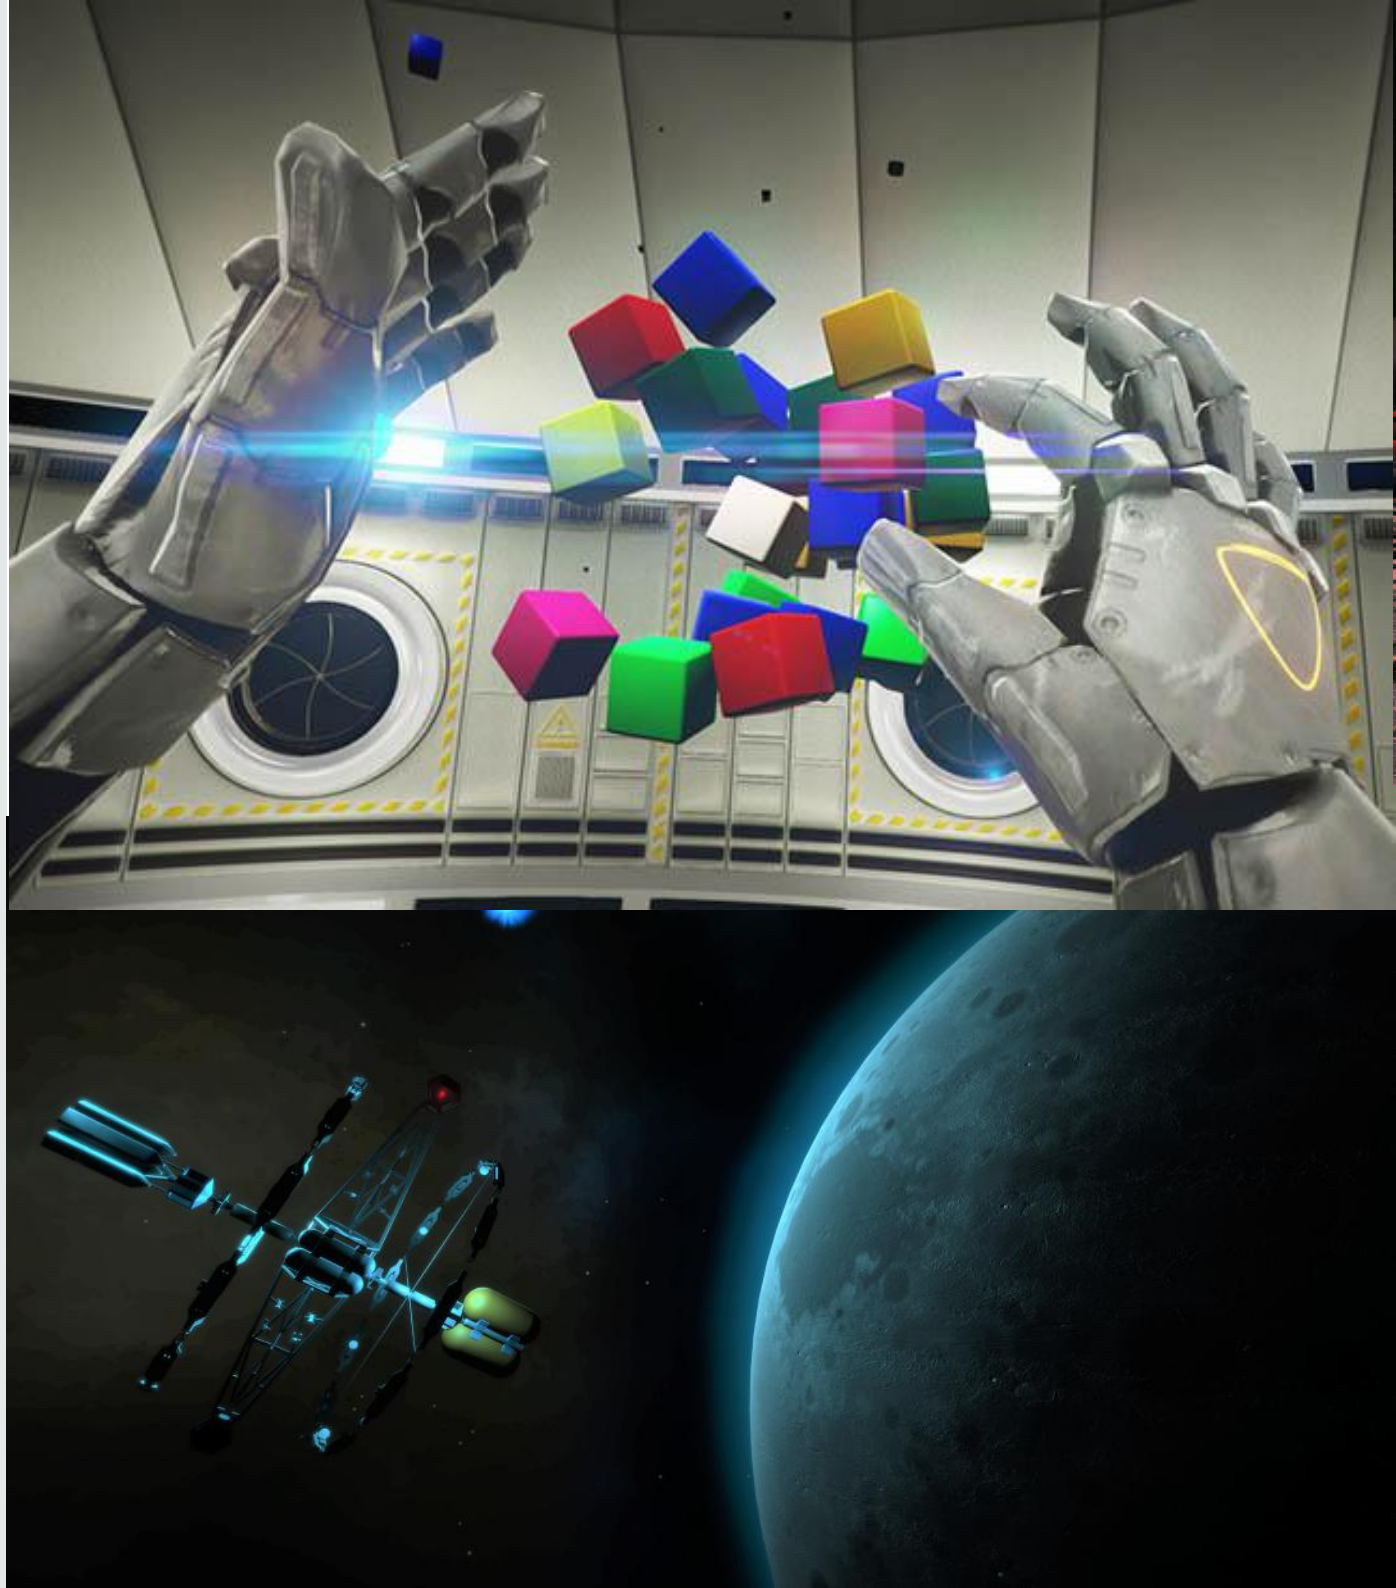

Two games to choose from and more under development!

ESCAPE IGLOO GAME:

COSMOS

Have you ever wanted to explore a sabotaged space station with your friends?

The game lets up to four players experience zero-gravity flight, requiring maximum interaction with each other and the game's mechanics and allowing the players to do everything with their own hands, including shooting lasers, fighting against hostile robots, and even using telekinesis.

ESCAPE IGLOO GAME:

MIND HORROR

In this game, up to four players take on the role of detectives from the future. They're sent deep into the memories of a maniac called the Silentman to investigate the mysterious kidnapping of a child.

Players will have to stick together to solve these diabolical and dangerous puzzles and uncover all of the secrets held in the Silentman's mind.

VIRTUALIZER

VIRTUALIZER

Take your event to the next level!

The Virtualizer is a technological breakthrough that allows you to walk, run, crouch or even jump inside a virtual simulation - making the immersion unmatched. There are several game titles to take on - so your event guests are guaranteed fun and unique experience.

VIRTUALIZER GAME:

ZOMBIE SURVIVAL

In this single player zombie game, the undead are rising, you need to run, arm yourself with guns and survive.

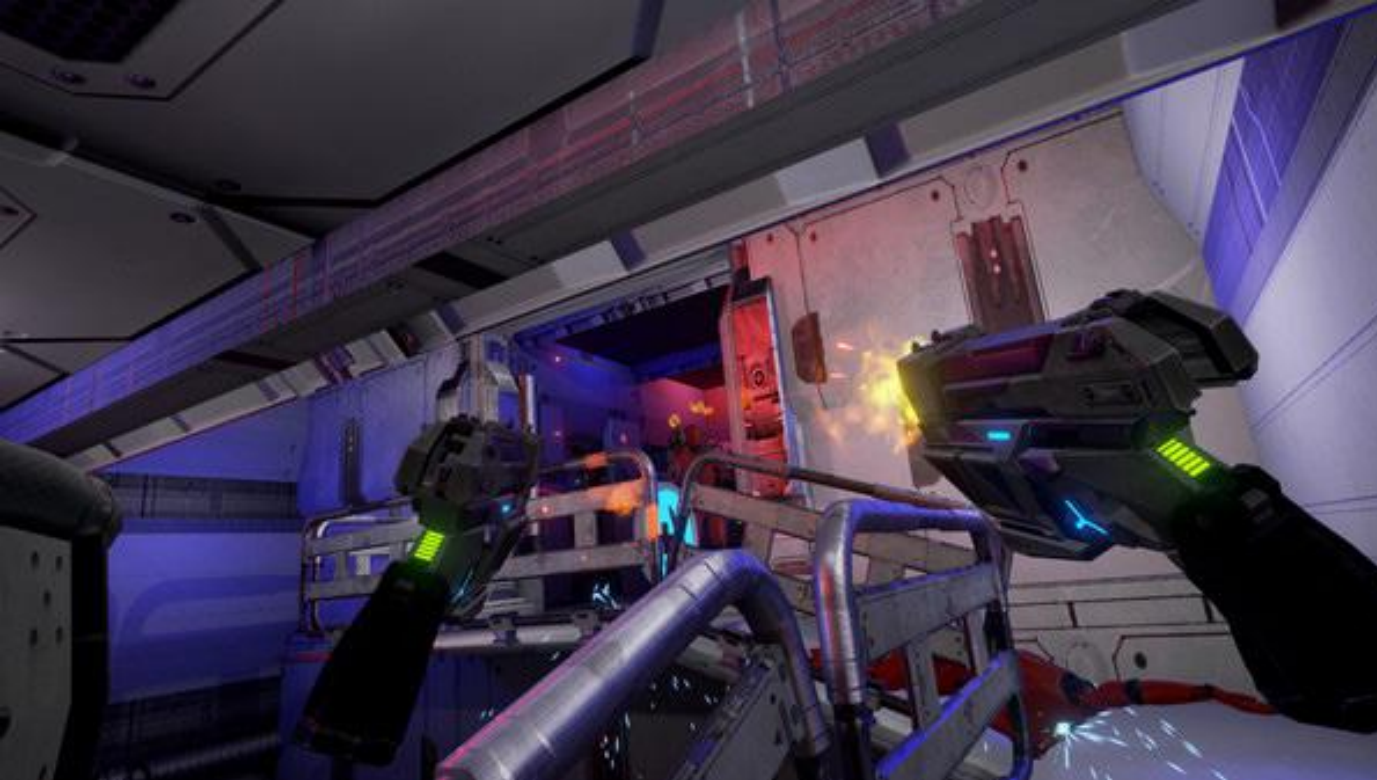

VIRTUALIZER GAME:

WARRIOR ADVENTURE

In this single player fantasy game, take up your sword and fight through waves of powerful enemies.

VIRTUALIZER GAME:

SPACEBOT CHALLENGE

This is a single player game where you take on the the role of a gunman on a strange futuristic spaceship being surrounded by robot. Use your guns and navigate through the space before it's too late.

VR FUN STATION

The VR Fun Station has endless possibilities.

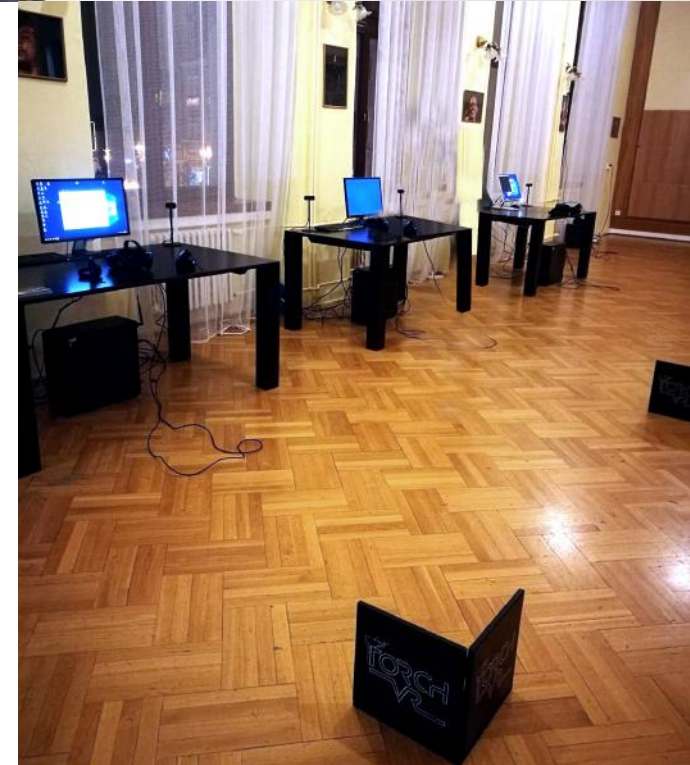

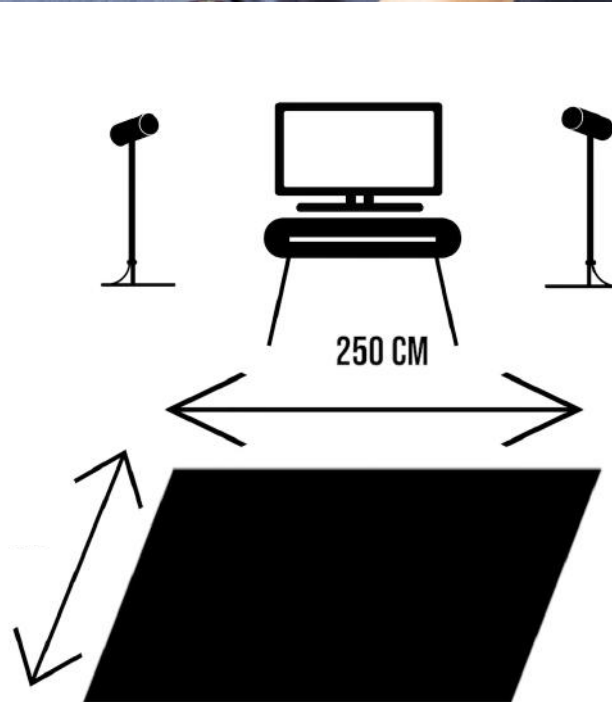

Is your party theme pirates, or space? Space pirates? We most likely have a game or experience to match and with several multiplayer games to choose from more stations means more fun!
